UNDER-fire Tory minister Gavin Williamson has been hit by a new scandal after a hairdresser insists he stole her bacon butty.

The Minister Without Portfolio has been beset by bullying claims since he returned to office under Prime Minister Rishi Sunak.

Now Lena Duncan, 34, says Williamson nicked her breakfast as she sat in a cafe in Rhyl, North Wales.

Yanks talk to Ruskies to end war

US National Security Adviser Jake Sullivan says communication channels between Washington and Moscow remain open. It comes as the White House refuses to deny reports that Mr Sullivan has been leading talks with Putin's Russia to prevent a nuclear escalation in Ukraine. Speaking in New York, Mr Sullivan said it was "in the interests" of the US to maintain contact with the Kremlin. But he insisted officials were "clear-eyed about who we are dealing with". The *Wall Street Journal* reports that Mr Sullivan has held confidential discussions with his Russian counterpart, Security Council secretary Nikolai Patrushev to guard against the growing risk of nuclear escalation in the war in Ukraine.

Food bill up by £682 in one year

GROCERY price inflation hit a record high of 14.7 per cent last month, to add £682 to the annual cost of food shopping. Sales of supermarket own-label products jumped again by 10.3 per cent over the latest four weeks and the cheapest value ranges grew by 42 per cent. Just over a quarter of households (27 per cent) said they were struggling financially, double the figure recorded last November. Prices are rising fastest in markets such as margarine, milk and dog food.

NANNY STATE BOFFIN'S WARNING...

CLOSING windows to keep the heat in will kill you stone dead, says a government advisor. Cath Noakes, professor of environmental engineering for buildings at the University of Leeds, said there is currently a "massive conundrum" where people are taking steps to reduce energy use but consequently reducing ventilation and adding new pollutants into the indoor air by burning wood or cooking. Prof Noakes, who was one of the advisers on the Government's Scientific Advisory

Now shutting your windows will KILL YOU!

Group for Emergencies (Sage) during the Covid-19 pandemic said: "I have a real concern that some of the things people are doing actually have a compounding effect. "So if you are at home, for example, and you don't turn the heating on and you keep the window shut, not only have you reduced ventilation, but you've also created a condition where you might get more damp

and mould, which has a knock-on effect of impacting your health." Prof Noakes added: "Making sure you open a window after you've had a shower or using an extractor fan in your kitchen when you cook can also help. "You're only using it for short periods of time - so you're not using much energy to provide ventilation."

Poorest get £324 extra in benefits

MILLIONS of Britons on low incomes will start receiving £324 into their bank accounts to help them through the cost of living crisis. The payments are the second part of a £650 sum being paid out to people receiving benefits such as Universal Credit, income-based jobseeker's allowance (JSA), income-related employment and support allowance (ESA), income support, pension credit, child tax credit and working tax credit. Those eligible do not need to do anything to receive the payment, and there are warnings that scammers are exploiting the crisis with texts or emails inviting them to make an application. Payments of £326 have previously been made, and this second cost-of-living payment should arrive before 23 November. Eligible households receiving tax credits and no other means-tested benefits will get their second payment from 23 November and should receive it by 30 November.

Cash crisis hits schools

MANY schools in England are considering cutting teachers or hours to save money, says the head teachers' union, NAHT. Of the 11,000 respondents to NAHT's survey, 66% said they will have to make teaching assistants redundant. Half say they could do the same for teachers. Costs such as pay and energy are rising fast for schools. The government said it had increased funding by £4bn this year. But more than half of those who replied (54%) said they would not be able to balance their budgets unless they make spending cuts. Many also warned they would have to reduce support for children, such as counselling for mental health issues.

Minister says Just Stop Oil loons have a point!

JUST Stop Oil protesters have a point, a Cabinet minister has said, as the activists kicked off a second day of action on the M25.

Essex Police said the M25 was in chaos after crusties climbed gantries to block the road and closed the Dartford Tunnel. National Highways said the action caused hour-long delays with congestion for five miles. It comes as the Met said eight people have been charged with conspiracy to cause a public nuisance, following a major operation to arrest those suspected of planning Just Stop Oil demonstrations on the motorway this week. But when asked if the protesters have a point, Mel

Stride, the Work and Pensions Secretary, said: "Well, they do in a sense."

"Couple of points... one is we are all determined, and this Government above all else is absolutely determined, to bear down on the use of fossil fuels."

Disrupt

"We do have to strike the right balance between the right of individuals to protest, which is fundamental to a civilised democracy and at the other time, making sure that we don't inconvenience or indeed endanger the public."

But he added there is a "major issue" when individuals can "go on to motorways or even just outside Parliament,

just sit down in the middle of the road and disrupt the traffic," and that emergency services can be caught up.

One eye witness said he saw "proactive policing" near the Clacket Lane services early this morning on the M25. He said he saw three police vans, "a couple of cars and a motorbike".

Motorists were warned of

five-mile tailbacks as police removed the protesters, who face up to a decade in jail under tough new laws.

The eco-group said in a statement: "Just Stop Oil supporters have climbed onto motorway gantries around the M25 as part of their campaign to demand that the government halts all new oil and gas licences and consent."

CHAOS: Protests turned the M25 into a car park

DING DONG! Heaven calls for Leslie Phillips, 98

ACTOR Leslie Phillips, who was known for appearing in the *Carry On* films, has died aged 98 after a long illness. Phillips was also familiar to younger fans as the voice of the Sorting Hat in *Harry Potter* films. His wife Zara said: "I've lost a wonderful husband and the public has lost a truly great showman. "He was quite simply a

national treasure. People loved him. He was mobbed everywhere he went." Phillips' agent Jonathan Lloyd confirmed the star died peacefully in his sleep. The comic actor starred in more than 200 films, TV and radio series over his eight-decade career. He was known for catchphrases such as

"Ding dong", "I say" and "Well, hello", which he delivered with suggestive intonation. While he only starred in four of the 31 *Carry On* films, the actor said his famous catchphrases followed him for the rest of his career. His death leaves Jim Dale, 86, as the last surviving regular from the *Carry On* films.

Olivia**

LOVE ISLAND babe Megan Barton Hanson has been lined up to star in *I'm A Celebrity... Get Me Out of Here*.

The stunning blonde is a last-minute recruit for the ITV show after reality TV star Olivia Attwood had to quit for health reasons.

Now Meg is in negotiations to enter the show in week two.

ITV have been forced to act following *Love Island* star Olivia's withdrawal with an unknown illness.

They have decided to send Tory MP Matt Hancock and comic Seann Walsh into the jungle camp early to shore up viewing figures.

Lesbian

But the addition of Meg, who now earns a living whipping her boobs and minge out for her followers on OnlyFans, will be a big hit with male viewers.

The 26-year-old sexy blonde is one of the biggest stars to come out of the *Love Island* series thanks to her frank

attitude to sex and willingness to discuss it.

She has revealed she is now a lesbian and insiders say she would be up for a rumble in the jungle.

An ITV source said: "If this goes ahead Meg will be brilliant."

"She is a star and I imagine would have no problem getting her boobs out in the shower."

"We aren't allowed to say it any more but the shower scenes are what get a lot of viewers tuning in."

"After Olivia left we're a bit light in that department."

Rugby ace a 'topshagger'

JAMES Haskell has revealed his embarrassment at being called up for England for the first time – because his email address was 'topshagger'.

The 37-year-old had a less professional email handle than future teammates like Jonny Wilkinson in 2007.

He said: "I was 'topshagger@hotmail.com.'"

"There was an email from the England team saying 'Dear Sirs, you've been selected for your country.'"

"It was like 'JonnyWilkinson@yahoo.' And at the bottom... topshagger2345@hotmail.com. It was the most embarrassing thing ever."

Mack to host special Royal Variety show

THE Queen will be honoured with a special celebration at the Royal Variety Performance later this year.

The show will be hosted by comic Lee Mack (above) at the Royal Albert Hall in London on December 1, where senior members of the Royal family will be in attendance.

Mack, who stars in *Not Going Out*, said: "I was actually going to buy tickets for this year's Royal Variety Performance, so not only is it a real honour to be asked to host it, it's also saved me a few quid."

"I now just have to work out the logistics of introducing these brilliant acts and also rushing back to my seat to watch them."

The Queen, who died in September, will be honoured by Nile Rodgers & Chic, George Ezra, Ellie Goulding, and Sam Ryder and the show will be screened on ITV and ITV Hub in December.

End of plastic at McDonald's

MCDONALD'S is axing plastic cutlery in favour of paper-based spoons, knives and forks across England and Wales.

The fast-food giant said the move should eliminate 858 tons of plastic it uses each year.

The new cutlery is made from renewable, Forest Stewardship Council certified pressed-paper and is fully recyclable and compostable.

McDonald's has already introduced paper-based straws and new McFlurry cups without plastic lids.

BIG NEW ROLE FOR SEX EDUCATION STAR...

AIMEE BUSTS ONTO THE BIG SCREEN!

LIVING DOLL: Star of new flick strips for old role

AIMEE Lou Wood has admitted she burst into tears when she first saw the trailer for her first big screen movie, *Living*.

The beauty was so was overcome with emotion, she said: "I just burst into tears."

It's been just three years since she was thrust into the limelight, thanks to her endearing character – who is also called Aimee – in the Netflix smash-hit series *Sex Education*.

Living, which is Aimee's latest project, is based on the 1952 Japanese film *Ikiru*.

By **SIMON DEAN**

simon@sundaysport.co.uk

It stars Bill Nighy as a lonely bureaucrat, whose mundane life and outlook all change when he is diagnosed with an incurable illness.

Wood plays Margaret, a young, cheerful and ambitious woman whom he befriends.

Nighy and Wood make a winning combination, as Aimee revealed: "The experience of making it was like nothing else. It was honestly magical."

In an interview, Aimee reeled off all the things that she loved about the

experience of filming *Living*, from the costumes, to shooting in London, to stepping back in time to the 1950s.

"And, obviously, Bill," she smiled.

She added of co-star Nighy: "He's the one, so far in my career, that people have been the most in awe of."

"He's so treasured and people know how much I always loved him, so they're like, 'How are you just sat there with him?' People can't get their heads around it."

Anyway, enough of all that luvvie shit – here are her titties...

KNICKERS TO WIMBLEDON WHITE PANTIES!

EMMA APPEAL: Raducanu in her crisp white undies

WIMBLEDON is set to relax its rule that says women must wear crisp white panties to compete in the competition.

The All England Club is likely to announce that for next summer's championships its unique all-white rule will be modified.

According to sources at SW19, players like British number one Emma Raducanu, will still be compelled to wear white clothes on top, but there will no longer be that requirement when it comes to knickers or undershorts.

It's bad news for the nation's sports photographers who strive to bring us their artistic shots of sweating young sportswomen bending over to reveal their undergarments.

Last week Andy Murray's mother

Judy said she felt it was high time that Wimbledon became more aligned with other sports in terms of making the dress code more female-friendly and getting rid of the white under crakers.

A spokesman for Wimbledon said: "Prioritising women's health and supporting players based on their individual needs is very important to us."

"We are now in discussions with the Women's Tennis Association, with manufacturers and with the medical

teams about the ways in which we can do that."

Insiders say those talks have moved on quickly, and that it will be confirmed shortly that a new rule will be in place for 2023 and it will be the end of an era.

The top women players have long been frustrated by the underwear colour restrictions.

Before this summer's ladies' singles final a small protest was held outside the gates by Address The Dress Code, campaigners opposed to the rules.

Jezza: Cam blew up my old tractor!

MOTORMOUTH Jeremy Clarkson has moaned former Prime Minister David Cameron "blew up" his beloved TRACTOR.

The *Who Wants to Be a Millionaire?* host (above) lent his vintage 1961 Massey Ferguson to his neighbour, Dave.

Mr Cameron, who was PM from 2010 to 2016, lives in Dean, Oxon, near Clarkson's 1,000-acre Diddly Squat farm in Chipping Norton.

The former *Top Gear* host, 62, said: "My tractor has exploded. A mate who lives in the next village rang saying he needed it to mow his paddock."

"I won't give you his name, save to say it begins with a D and ends with an 'avid' Cameron."

"He borrowed it and it blew up."

"Cars very rarely blow up, but my tractor did. It wasn't the Lamborghini, you'll be surprised to hear. It was the old Massey Ferguson."

"My neighbour arrived to borrow it and set off down my drive, looking like a politician who's pretending not to understand the countryside."

Dover firebomb inquest opens

THE Dover firebomb terror suspect died of asphyxiation, an inquest has heard.

Andrew Leak, 66, from High Wycombe, Bucks, threw two to three homemade incendiary devices at the immigration processing centre at Western Jet Foil in Dover, Kent, on October 30.

Leak was found dead eight minutes after the attack in the car park of a nearby BP petrol station.

The inquest into Leak's death was opened yesterday at County Hall in Maidstone by coroner Bina Patel.

She confirmed Kent Police was called to Western Jet Foil at 11.22am on October 30 and Leak was found deceased at the petrol station on Limekiln Road at 11.30am. Paramedics confirmed his death at 11.48am.

The inquest was adjourned until January.

Tory bully MP Gav stole Leah's breakfast butty

CLAIM: Lena (right) says Gavin (left) snatched her bacon sarnie

Excited Amanda nips out for walk

STUNNING Amanda Holden was clearly very excited to be out in the autumn sunshine yesterday.

The 50-year-old beauty was snapped heading to work as a DJ at Heart FM.

And, despite the chilly weather, she left her bra at home meaning her raspberry ripples were on full display.

UNDERFIRE Tory minister Gavin Williamson has been hit by new bullying claims after a hairdresser insists he stole her bacon butty.

The Minister Without Portfolio has been beset by bullying claims since he returned to office under new PM Rishi Sunak.

He has been accused of sending unacceptable text messages to the Chief Whip of the Tory Party after throwing a tantrum as he wasn't invited to the Queen's funeral.

And now insiders say he also told civil servants to slit their throats and jump out of a window, claims he denies.

But Lena Duncan, 34, has now come out to say that Williamson once stole her bacon butty as she sat in a café in Rhyl, North Wales.

Evidence

Lena admits she has no evidence to back up her claim but revealed: "It was most definitely Williamson."

"It happened only yesterday – I had a nice cup of tea in one hand and a bacon butty in the other and I was sat on a bench in the town centre."

"I was in a bit of a trance and the next thing I heard was a voice

saying, 'I'll have that,' and someone yanked my bacon butty from my hand."

"I looked up and it was Gavin Williamson."

"Before I could say anything, he was off on his toes."

"I couldn't run after him because I had my cup of tea."

"I was furious. "I knew he was a bit of a tw*t, but nicking someone's bacon butty is really bad."

"Not even Albanian gangsters would do something like that."

However, Williamson's people have scotched Lena's story.

A source said: "Gavin was in London all day and nowhere near Rhyl."

"Much as he loves bacon butties, he would never steal one."

DRINKING BEER WILL SAVE YOUR LIFE!

GUZZLING some types of beer boosts the brain's ability to fight off Alzheimer's disease.

Scientists from Italy say drinking lager can help the brain flush out harmful toxins which cause the disorder.

They discovered that hops – flowers used to give beer its bitter flavour – contain antioxidants that can help reduce the build up protein plaques in the brain, which are linked to Alzheimer's. Tettanang, a type of hop grown in Germany and found in amber and light lagers, was the best at clearing the dangerous plaques.

These beers also contained high levels of a certain antibiotic which is thought to reduce inflammation in the brain and can have

beneficial effects in people with Alzheimer's disease, the experts said.

But the researchers were quick to point out that their study might not justify drinking more beer, as boozing is also a factor for Alzheimer's.

This is because heavy drinking accelerates shrinkage, or atrophy, of the brain, which causing cognitive decline.

Terror mayor slammed for £5 dog culling

AN evil ex-terrorist mayor has offered a £5 bounty to residents who KILL DOGS.

Tayseer Abu Sneh (*above*), mayor of the Palestinian town of Hebron, proposed the bounty of 20 shekels (just under £5), during a radio broadcast, as a possible solution to the city's overpopulation of stray mutts which he said were "haunting the lives of residents".

At least some city dwellers took the order to heart, and social media was soon flooded with images of stray dogs being killed or tortured by gangs of masked savages.

Abu Sneh was sentenced to life in prison along with three others for his part in a terrorist attack in Hebron in 1980 which left six students dead, including two Yank citizens. He and his conspirators were later released as part of a prisoner exchange.

Abu Sneh has served as the city mayor since 2017.

Local animal rights activists have slammed the move, calling it "beyond humanity".

Man, 65, nicked for teen groping

A **BLOKE** was nicked after grabbing a 17-year-old waitress by her buttocks and rubbing his hand along her thigh while telling her she had "nice legs".

The unwanted groping happened at the Beef O'Brady's in Bushnell, Virginia, where Larry Rerick, 65, was a customer.

The teenager told the restaurant manager she'd been fondled by Rerick against her will, and the police were called.

After speaking to the victim and to Rerick, an officer placed him under arrest and carted him off to the Sumter County Jail, where he was booked on a charge of battery.

Bail was set at £850. Previously, Rerick had also been charged with battering his mother in 2019 after arguing with her over his drinking.

He avoided a conviction in that case by entering a pre-trial intervention programme, which he successfully completed.

Pop star sister's SPUNK hell

I THOUGHT IT WAS GENTLEMAN'S JOY JUICE

By ANNE COATES news@sundaysport.co.uk

LIKE many women of her generation, influencer Lottie Tomlinson has been taken in by cosmetic surgery.

The sister of One Direction hunk Louis Tomlinson paid good money for lip fillers – a way for pretty, young females to often look freakish and stupid.

Now Lottie has taken to her Instagram Stories to reveal she was having some of her facial fillers dissolved to achieve a “more natural” look.

The 23-year-old, who has an army of 4.7 million followers, said that despite feeling nervous she was excited to see her new look.

Posing for the camera in a Harley Street clinic the new mum blew a kiss to the camera while both her lips and cheeks were slathered in numbing cream.

She posted: “Well, it’s happening... I’m at the amazing cosmetic surgery clinic today to dissolve my fillers.

“I’m nervous but very excited to be more natural,” before promising to keep fans updated.

However, when the

pictures were posted online, one cruel wag decided the numbing cream looked rather like SPUNK!

He posted: “For a moment, I thought that was ‘gentleman’s joy juice!’”

Fillers are all the rage, having been pushed onto women by greedy reality TV harpies who

are paid megabucks to promote the practice.

It often makes them look like Muppets gone wrong and as soon as they realise that, they pay out yet more money to have them removed.

A source said: “At 23 she should have her face covered in gentleman’s joy juice, not waste money on this shit.”

Pissed-up flyer took OA-Pee on plane floor

AN OAP has admitted getting his dick out and pissing on the floor of a plane while sitting in his seat as the flight descended into an airport.

The unnamed New Zealand man, 72, who was travelling from Bali to Brisbane in Australia, was charged with disorderly behaviour in public over the incident.

Australian Federal Police said the pensioner had consumed “a number of small bottles of wine” during the flight.

He faced Brisbane Magistrates’ Court where he pleaded guilty and was sentenced to a 12-month good behaviour bond.

Locked up for rowing over dildo

A DISPUTE over the ownership of a sex toy turned violent and ended up in the arrest of a woman.

Cops interviewed a male victim who said he and Chelsea White, 34 (above), had argued over a handbag and a sex toy he owned.

White refused to give the sex toy back to the victim, so he picked up White's handbag and said: "I have your bag, give me my property."

Struggle

A struggle for control of the handbag followed, and that's when White kicked and bit the male victim.

The victim then "punched White to make her stop biting him", cops claim.

Officers handling the case found White was the "primary aggressor" during the fight, and she was arrested for domestic battery and booked into the county jail in St. Lucie County, Florida.

She remains locked up as she can't raise the bail money.

When it comes to puds, we Brits have certainly left a mark on the world's cuisine.

The snooty Frogs and over-excitable Wops may look down their snotters at our grub.

But when it comes to puddings, nobody else in the world can touch us.

Filling

Sweet, filling, and lots of it. That's the way we like our afters.

And today is the day we celebrate with British Pudding Day!

We would have liked to have given all our readers a free pud but that would have been messy.

So here are two pages of stunnas getting stuck into puds instead.

Lottery winner hides fortune from lazy wife

A MAN is keeping his whopping £26.5 MILLION lottery jackpot a secret from his wife and child, saying he is worried the winnings might make them LAZY.

The man, identified only as Mr Li, went alone to the lottery office in Nanning, in the southern China region of Guangxi, to claim his prize.

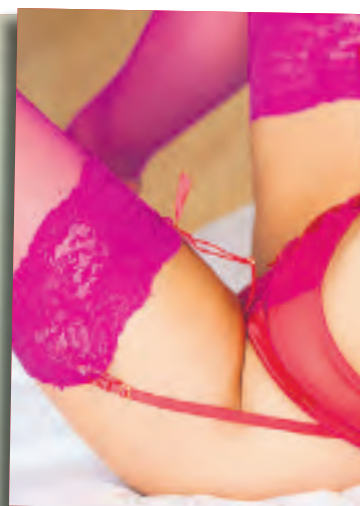

He wore a bright yellow costume that covered his head in photos showing him accepting the prize.

"I didn't tell my wife and child for fear that they would be too complacent and would not work or work hard in the future," the man said.

He donated a chunk of his winnings to charity and said that he hadn't decided what to do with the rest of his new-found wealth.

He collected around £21m after paying taxes.

The model told us bonking doesn't ever come close to the sheer pleasure she gets from satisfying herself with X-rated adult devices.

Because she never fails to reach orgasm with a plastic throbber up her!

Charley, who boasts a pair of whopping 34Es,

also said she can't go a single day without treating herself to some steamy self-loving.

The babe, from Romford in Essex, added: "Unlike normal sex, I always climax when I use a vibrator. As soon as I get through the front door I'm upstairs, my knickers are off, and the dildo comes out to play.

NETFLIX EMMA'S COLLEGE WINS SHAGGING CROWN

**CROWN
STAR:**

STUDENTS at actress Emma Corrin's old college have been crowned the biggest shaggers in posh Cambridge University!

Emma, who played a young Princess Diana in Netflix smash *The Crown*, studied education, english, drama and the arts at St John's College, Cambridge, from 2015 to 2018.

And now Cambridge's student newspaper, *Varsity*, has named the ancient college the **RANDIEST** in the whole uni!

The survey also revealed that philosophy students and trainee vets are also big shaggers, and that more than 50 percent of Cambridge students identify as something other than heterosexual.

The anonymous survey was open to students in October.

Nearly 600 students, representing a cross section of Cambridge colleges and subjects, completed the self-selecting questionnaire which was last carried out in 2008.

Only 16% of the students surveyed by *Varsity* said they were virgins, a figure that remains unchanged from 2008. And of the students that have had sex, 71% lost their virginity before arriving at Cambridge.

According to the poll, the average

Cambridge student has had seven sexual partners, but one aspiring top shagger claimed to have slept with 10,000 people!

There is, of course, no suggestion that Emma Corrin was a big shagger at university.

Emma's next gig is playing the lead role in a new adaptation of DH Lawrence's classic novel *Lady Chatterley's Lover*.

And she described filming a naked scene for the forthcoming film "the most exhilarating experience of my life".

Naked

According to Emma, actors had to film scenes for the film "completely naked in the Welsh countryside" – which was part of the reason she signed up for the project.

She said: "When I got the script our director was already attached and she is incredible, and there was a crazy scene where they both dance naked in the rain. For some reason I was like, 'Yes, sign me up!'"

"I think certainly that it was the most exhilarating thing I have ever done in my life."

Ikea demand game change

IKEA has sent a computer game developer a cease and desist letter, telling him he must alter his unreleased survival horror game which is set in a furniture store.

Lawyers representing the household goods giant claim it commits trademark infringement because of comparisons between their official brand and the game.

The Swedish firm have given developer Jacob Shaw 10 days to "change the game and remove all indicia associated with the famous Ikea stores".

The Store Is Closed is an unreleased survival game created by a lone developer, that is in the final week of a successful Kickstarter campaign that's raised £50,000.

LAG'S TASERED IN LOO PLUNGE ROW

A PRISONER was arrested after twatting a jail warden with a toilet plunger.

Isaac Brevil, 35 (*below*), is now facing charges of aggravated battery on a law enforcement officer, and resisting an officer.

During the incident, Brevil got hold of a bog plunger to unclog a toilet in a cell and refused to give the plunger back.

He broke its handle in two while continuing to ignore prison staff demands to return it.

They used "clear out" chemicals to try and "deescalate" Brevil, but these did not work on him.

Flagler County, Florida Sheriff's officer Rick Staly said Brevil tried to then stab colleagues with the broken handle but was unable to do so because of body armour.

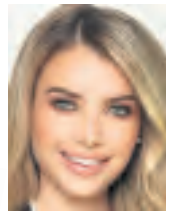

He was eventually subdued by officers using Tasers.

Brevil was being held on a prior arrest along with an extraditable warrant from Palm Beach County for attempted carjacking.

Commissioner lied to see her lover in prison

A HIGH-flying town commissioner has been convicted of lying to prison bosses in order to get behind prison gates to see the inmate who got her pregnant.

Julianna Strout, 36 (above), has pleaded guilty to attempting to enter, and entering, a facility using fraud and false pretences.

Prosecutors said the Immigration and Customs Enforcement detention centre in Florida temporarily suspended social visits in October 2021 due to the COVID pandemic.

Because legal visits were still permitted, Strout told officials she was an assistant with a law firm and needed to visit a detainee to have legal papers signed.

Prosecutors said she even went as far as to present officials with a falsified letter on her law firm's letterhead.

She's been given a one-year probation and 50 hours of community service.

HOW on earth are we supposed to stay warm this winter?

With fuel costs going through the roof and even the price of a warming can of soup heading skywards, we're getting battered from all sides.

Well, according to boffins at the University of West Lancashire, the best way to keep out the cold is to stay fit and healthy.

Professor Jim Looker said: "When you are poorly, you feel cold and when you are fit and healthy, you feel warmer."

"As well as that, doing exercise warms you up. It's a win-win."

So to encourage everyone to get active, here are a few snaps of ladies in trainers to get you in the keep fit mood.

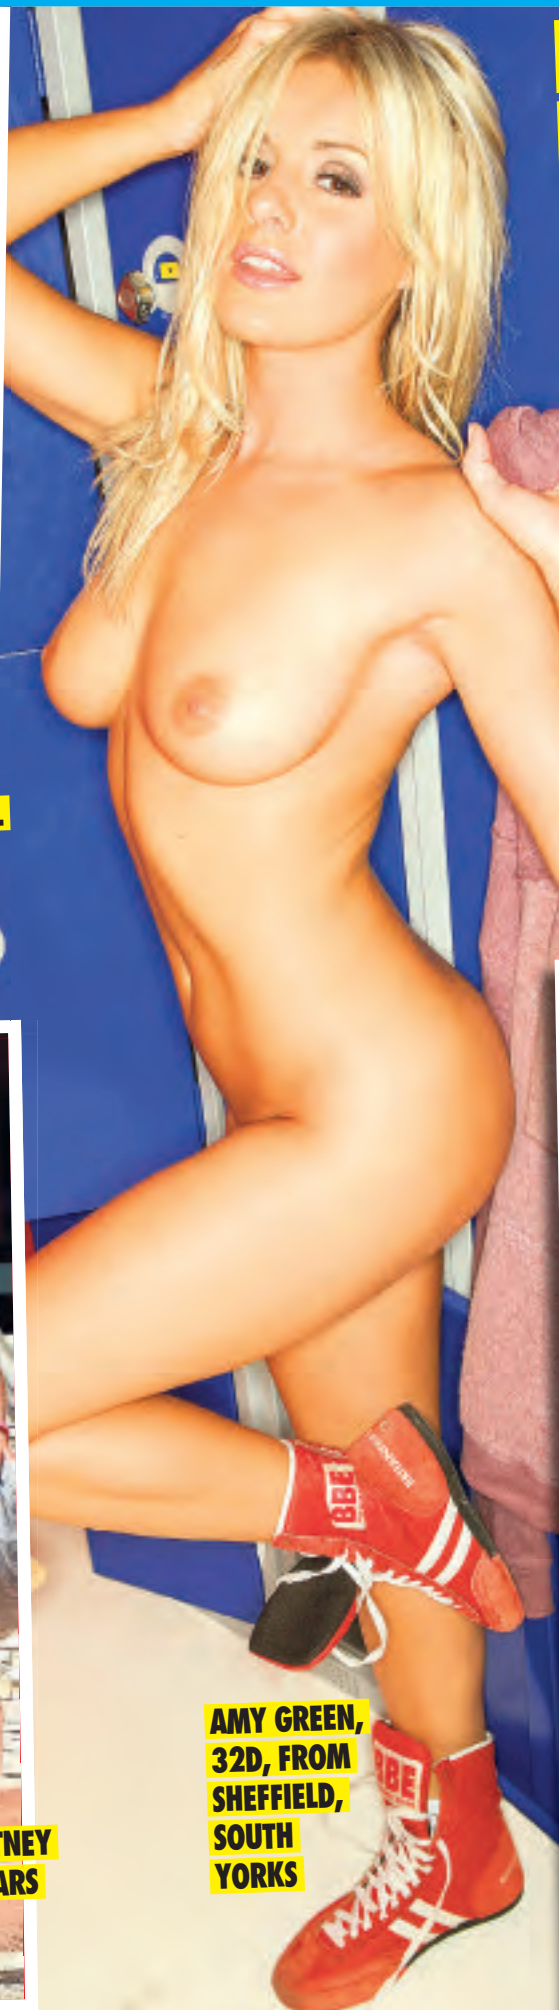

And the boffins say that just looking at all these amazing busters will give you a warm feeling inside!

'In a sex swing you can do it like a porn star'

#MY SEX FANTASY

...WITH
**EMMA
MITCHELL,
32C, FROM
MANCHESTER**

MY current favourite sexual fantasy has to be doing it on a sex swing.

I've got an over-the-door one, and shagging on it is super hot. I love the feeling of being quite helpless while I'm contained in it and my fella has his wicked way with me.

I'd love to get a proper 360° spinning sex swing. The zero gravity allows you to access all sorts of different angles and get into really tricky positions.

And that means you can have sex like a porn star!

I'd love to do it in a reclining missionary position, with me in the swing with my legs spread and the bloke standing.

It is like normal missionary but with extra motion and it apparently allows for super deep penetration.

Cowgirl swinging, where the guy lies back in the swing and the girl gets on top of him, is another good one. He can manually stimulate my clitoris.

And the woman lying back facing up to the ceiling is amazing for giving a deep throat blowjob.

Right, I know what I'm asking for my birthday!

Flash perv wanted to pee on cop

A FLASHER was nicked after exposing his floppy cock to two shop workers then kicking a police officer in the nuts and asking to PISS on him.

The female victims told cops that Christopher Piscitelli, 44 (above) had exposed himself to them.

He was still at the scene when police arrived in Ocala, Florida.

When an officer spoke with Piscitelli, he asked if he could dump a bag of crisps he was holding.

Piscitelli then asked if he could urinate on the cop and tried to grab a gallon of water, which the officer also removed from his hands.

When handcuffed, Piscitelli began pulling away and refused to walk towards the police patrol vehicle.

An officer responded by bringing Piscitelli down to the ground on his front, and Piscitelli then began kicking with his legs – striking the cop firmly in the bollocks.

Piscitelli was arrested and faces several charges including exposure of sexual organs, battery on an officer and resisting an officer without violence.

Non-student lived in halls for 10 months

A MAN pretended to be a student and lived in university dorms for at least 10 months.

Prestigious Stanford University's Department of Public Safety cited the man for violating the law the first time he was found living in a dorm in December.

Since then, campus police officers have obtained multiple stay-away letters, a prerequisite to citing someone for trespass on campus.

A spokesman said the university had policies to prevent non-students entering and living in the dorms, but that the man's "persistence and ability to ingratiate himself with the student community has made it clear that gaps exist in those protocols".

The university, in California, will now review its procedures.

BRIDGERTON SEX MADE ME SQUIRM!

Writer left red-faced at her steamy scenes

EMILY BARBER

PHOEBE DYNEVOR

SABRINA BARTLETT

SIMONE ASHLEY

By JENNI PLANT news@sundaysport.co.uk

A WRITER of Netflix's upcoming season of *Bridgerton* has called working on the drama's sex scenes "one of the most awkward moments of my career".

The Regency romp – based on a series of books of the same name by Julia Quinn – follows one of the eight Bridgerton children each series, with season three heading to screens next year.

Jess Brownell, a writer-producer on the period drama who will serve as showrunner on both series three and four, spoke about writing some of the show's steamy scenes, describing the process as being "awkward" and admitting she didn't want to show her boss the "detailed" drafts.

Licking

Season one featured the attraction between Daphne Bridgerton (Phoebe Dynevor) and Duke of Hastings (Regé-Jean Page), who sent fans into a frenzy simply by licking a spoon in a sexy way.

Season two showed the relationship between Anthony Bridgerton (Jonathan Bailey) and Kate Sharma (Simone Ashley), which starts off prickly, but becomes flirtatious, leading to serious sexual tension.

Jess said: "It was one of the most awkward moments of my career. I was having fun but then I remembered my boss would read them – he had asked for them to be detailed."

While the first series was famous for its overtly sexy scenes, the second took a slower burn approach.

Speaking about why the second season took a different direction, Shonda Rhimes, from production company Shondaland, which produced *Bridgerton*,

AWKWARD: Writer Jess

said: "Every character's romantic life is different."

"It would be weird if everybody had the same kind of sex life. What's great about season two is it's about longing."

While some fans felt that losing the steamier scenes made the second instalment less fun to watch, many said they were delighted by the love story between Anthony and Kate, praising the chemistry between the two actors.

On top of the slow burn, sexually-charged tense scenes, the newest season of the show still featured some racy segments, including one in which a naked Anthony covers his modesty in his bedroom.

Season three, which is still in production looks likely to be aired next summer.

It will break tradition and skip the third Julia Quinn novel and jump to the fourth, *Romancing Mister Bridgerton*.

And what's more, the pretty stunna, from Lincoln, spent an evening not so long ago at an all-girl ORGY.

The 32B babe said: "A friend of mine was into swinging and got wind of a girls-only event.

"She invited me along and I jumped at the chance.

"It was the best decision of my life - I ended up naked on a huge bed with about five girls.

"There were tongues and pussies EVERYWHERE!

"It was the most intense sexual experience of my life, without doubt!"

THOMASJUSTIN
DUNN'S
ROOM 101WHAT'S ANNOYING
HIM THIS WEEK?We've
lost
the plot
on migrants

THIS time last week, without any public notice whatsoever, a coach carrying 40 or so Channel dinghy migrants snaked its way up from Kent to the very edge of the Irish Sea.

Its brakes finally hissed their hydraulic sigh of relief when they were pressed in the car park of the Holiday Inn Express, a franchised outlet in Hoylake, Wirral.

There weren't many staff on hand to assist them, because most of them had been sacked the day before, around 2.45pm, with just a few minutes' notice.

Which didn't matter – to the hotel owners, anyway, because most of those staff were on zero-hour contracts and so easy to dismiss and then forget.

Packed

A bit like in Monopoly, where you can land on the wrong square and find yourself going to jail, directly to jail, without even passing go for the miserly two hundred quid.

It wasn't just the staff who were thrown out of the hotel, though.

Paying guests were removed, too.

Four of them just happened to be staying at the hotel while taking part in a RNLI training course on Hoylake's inshore lifeboat, housed in the coastal boathouse just two minutes away from the hotel.

But when they arrived back from training to "save lives at sea" – the venerable institution's motto – they found their suitcases were already

SCANDAL: Farage was the only one to highlight the hotel outrage

packed and waiting for them in the hotel foyer.

Being bumped out, ironically, in favour of some of the people whose lives had been saved at sea by their lifeboat crew colleagues on the south coast.

Nigel Farage, who has been talking about this issue a lot on his nightly GB News show, agreed it was scandalous and broke the story that night live on air.

The next day, it was followed up by the *Daily Mail* and, asper, Twitter went into overdrive.

"Is this true though?" asked hordes of pink-haired, pierced-faced lefty children.

You could almost hear them shrieking: "IS IT TRUE? IS IT TRUE?"

Which meant, between the lines, anyone daring to point out this absolute truth must still somehow be a liar.

Which also means, now they've decided you're a liar, even when you're not, then naturally you must also be a bigot, a racist, a fascist, a transphobe, an Islamophobe, an anti-alienist, a Moon denier, and probably Elon Musk.

And that is exactly what they want you to do – to concentrate on

their pathetic bleating, their incessant white noise, and not look at the actual matter in hand.

Which is that a lot of the people on that coach are from Albania, a safe – if poor – country, not at war with anyone, a long-standing member of NATO, and on a fast-track to membership of the EU.

And also the European country with the unfortunate record of having the most non-UK people behind bars in our prisons.

Drugs

We know most Albanians are lovely people.

Just as we know that the ones that aren't quite so lovely are involved in drugs, people trafficking and prostitution on these shores.

And they are the rogues these dickheads who hang upside down from pylons or scream like children online actually support.

Because – even if they chop people's heads off – at least they "might" end up voting Labour.

We really, totally, have lost the f**king plot.

Fraudster on run nabbed at Disney World

A FUGITIVE who had been on the lam for a year was arrested after a government officer working on his case miraculously spotted him while on holiday at Disney World.

Federal inspector Jeff Andre was hanging out in the Florida amusement park's Animal Kingdom when he happened to see Quashon Burton (*above*), who fled his Brooklyn home last November after being accused of fraudulently obtaining coronavirus relief aid worth £132,000.

Tattoo

Andre, who signed the criminal complaint against Burton, 31, recognised the fugitive by a unique letter H tattoo on his neck.

Burton is accused of stealing the identities of at least four people to fraudulently take out government PPP loans meant to help businesses struggling during the pandemic.

Prosecutors said Burton used an ATM to purchase money orders from a New York City post office to get the cash after the loans were approved.

After Andre spotted Burton, he called the Orange County Sheriff's Office who quickly sent a deputy to arrest him.

Axed top cop is a burglar!

A POLICE chief has been sacked after colleagues found he was a BURGLAR.

Anthony Williams, chief of the Wilcox County Police Department in Georgia, was held by the Georgia Bureau of Investigation after agents received reports he burgled a home on October 11, the state agency said in a press release.

The GBI opened an investigation into the incident at the request of the Alapaha Judicial Circuit District Attorney's Office.

The 49-year-old chief then turned himself in two days later.

Williams was booked, but posted bail.

An investigation is now ongoing.

FASHION BOSSES' LEGAL ACTION AGAINST PORN MILF...

OOH! SUE YOU, SIR!

MILF porn star Gigi Dior is under legal fire from fashion giant Christian Dior as they reckon folk may confuse her cock hungry antics with their designer gear.

French fashion house Christian Dior Couture has filed a legal claim against Gigi, asking her to overturn her trademark and saying that she is damaging their business.

"This is ridiculous, my name has nothing to do with couture and the funny part is what I do on film usually involves wearing no clothes at all," Gigi said in response to the lawsuit.

The 40-year-old adult entertainer applied last year to trademark Gigi Dior, which was approved in September this year.

She uses the name on her website, OnlyFans account, webcam work and social media pages.

However, Paris-based Christian Dior Couture – part of the luxury goods giant LVMH Moët Hennessy Louis Vuitton, who also sell perfume – weren't pleased, saying: "All goods and services are opposed, namely entertainment services, personal appearances by a porn star, and providing a web site with non-downloadable adult-themed photos and videos."

The fashion house stated its grounds for opposing Gigi's trademark, including: "Priority and likelihood of confusion, dilution by blurring and dilution by tarnishment."

Gigi has appeared in seven porn flicks, along with many online vids, including *Horny Hiking*. She also does webcam work and has been nominated for MILF of

By **SUZIE SHELDON**
news@sundaysport.co.uk

the Year by the adult Cam Awards.

She said: "On October 18, I received notice from Christian Dior Couture they were appealing my trademark approval and they claim the name Dior is being diluted and that I am diluting their products."

She has until November 17 to present a written response, otherwise her trademark would be overturned.

Gigi, who has been in the adult industry for just two years, said she applied for the trademark to protect others from ripping off her brand.

The former New York model and actor, who is a single mum with four kids aged under 12, said: "If I lose my name, I have built a brand around this name, it has become me and my reputation, so it's really devastating to think I might have to start from scratch and rebrand everything."

"I have thousands of T-shirts, signs and photos. I have websites and social media. I'd have to start again... it's going to be a huge undertaking."

"I'm devastated."

THE WORLD FAMOUS AGONY

Dear Sam,

A FEW weeks ago my suspicions were confirmed when I caught my wife with the neighbour. He's 50 and we are both 25.

I heard them chatting in the garden one day. He was cutting back most of his shrubs and he jokingly said he'd come round and "trim her bush" if she wanted.

I found this hilarious, so I suspected she fancied him. I told her I was going golfing but returned within an hour and heard them at it upstairs.

He must have been banging her like there's no tomorrow because it sounded like the bed was going to collapse at any moment. And she shouted out his name in the throes of passion.

I think she's going to shag him again on Friday, because she's booked a day off work.

But I'm actually looking forward to listening to them at it again. Do you think I'm weird?

MT, Cardiff

Sam says...

MAYBE not weird, but certainly a bit odd.

Dear Sam,

I GOT chatting to the vicar's wife at a village fundraising event this month. To my surprise, she was quite bawdy and we ended up talking about sex.

I joked about her husband chatting up God and wondered if sex was a miracle. She came back with: "Why, do you want to give me some?"

The next day we got together and I found myself stripped naked with her dressed in bondage leather.

There was a hole for her juicy minge and my tongue was soon stuck up it. She quivered with delight as I tongued her, before I finished off by shafting her good and proper.

I felt very guilty afterwards and wonder if I should see this woman again?

Or, indeed, if God will strike me down.

DC, Herts

Sam says...

I'D say your prayers if this ever gets out.

Threesome with my missus

Dear Sam,

MY girlfriend and me have a good sex life. We are both in our late 20s and we love to experiment in bed.

Last week we went to a nightclub and a young fella started flirting with her. I could see she was enjoying the attention, so at the end of the night I invited him back to our place.

As soon as we were through the door my bird stripped down to her thong and got the young guy's eight-inch out.

She sucked on his balls and then slowly took his cock down her throat. I slid my rock-hard todger in her from behind and we gave her a good roasting.

She screamed her head off and had a massive orgasm.

He shot his load down her throat as I came all over her arse cheeks.

She loved it so much she wants the guy to move in.

What do you think?

HK, Devon

Sam says...

BE careful - you could get pushed out of your bed and out of your house.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Holiday romp with 3 babes was Kraut of this world

Dear Sam,

MY missus was having a rough time at work, so to cheer her up I took her on holiday to Tenerife for some sun.

We found ourselves in a lovely hotel but on the first morning down by the pool I was in agony – because of all the gorgeous topless crumpet around. I was particularly taken by three German students on a girlie holiday together. They were all tall, slim and blonde – and every time I looked at them I got a raging hard-on.

Erection

I was ogling the trio on my lounge with a paperback covering my stiffy when the book fell off my lap – revealing my erection.

One of the Germans was looking my way and she turned to her pals and said something and they all giggled.

Shyly, I glanced back over at them and I was surprised to see them beckoning me over.

I looked at my wife but her head was buried in a paperback, so I strolled to the edge of the pool and one girl whispered: "Room 323, 10 minutes."

I told the missus I was going back to our room for something. Nervously, I

tapped on the door of Room 323 and it opened to reveal the three babes – all naked.

Without a word, one of them grabbed me by the dick and dragged me into the room.

She yanked down my shorts and squealed with joy as my nine-incher sprang free.

The babes then took it in turns to suck me off. In between times they snogged one another and fiddled and fingered each other's dripping slots.

Soon I was shagging each of them in turn while kissing and sucking the tits of the others.

I lost all track of time, but I didn't care as I pumped away to my heart's content.

The German girls were insatiable but eventually I was ready to shoot my wad and I pulled out quickly and sprayed waves of spunk over their faces.

I left them rolling on the bed, licking

my cum off each other and continuing to bring each other to orgasm with tongues and fingers.

I hurried to our room for a quick shower before returning to the pool, more than a bit nervous about what my wife's reaction would be.

She looked up from her book and said: "What took you so long?"

I replied with a laugh: "I got waylaid by three German nymphos who treated me to an orgy."

"Yeah, right, I'm sure you enjoyed every minute of it," she said, turning back to her novel.

Do you think she'll suspect anything?
GB, north London

Sam says...

NO. She obviously doesn't think you'd have it in you.

Dear Sam,

MY missus is 45 but she's got the body of a 25-year-old and is always willing to experiment in the bedroom.

And that leads me to my problem. I came home from work a couple of weeks ago and she called me upstairs.

I got a real shock when I walked in the bedroom to find her dressed as Cheryl Cole, complete with brown wavy wig, dark eye make-up, a pink mini dress and thigh-high boots.

I was soon hard as she performed a raunchy dance routine and talked dirty in a Geordie accent.

Then she went down on me, working me to a frenzy with her tender tongue and luscious lips.

Then she lay back on the bed with just her boots on and her thighs spread wide, inviting me to get stuck in.

I eased my cock into her and gradually built up a rhythm until we both gasped to a shuddering climax.

Now she wants me to return the favour and dress as her fantasy man, Elvis.

But I can't stand the dead rock 'n' roller and know I couldn't get a hard-on, let alone screw her.

What should I do?

PB, East Yorks

Sam says...

GO on, do it just once, otherwise your missus will be Lonesome Tonight!

I broke down but got great ride off rescuer

Dear Sam,

My car broke down a couple of weeks ago, but seeing as I'm a busty blonde in my late 20s it didn't take long before someone stopped to offer their assistance.

He was in his early 40s and very fit. He told me there was something wrong with the radiator and kindly gave me a tow to a garage.

They told me they would need at least 24 hours to fix it and I was 100 miles from home, but my rescuer quickly offered to put me up.

I could tell what he was after – and I was in no mood to let him down either.

We wasted little time heading for his bedroom and after a brief kiss I sucked him off.

Licked

I took his rock-hard seven-incher right to the back of my throat and it only took five minutes before he filled my mouth.

He then spread my legs wide and licked me out before boning me from behind.

I was so turned-on that I even urged him to f**k me up the arse as well.

The next day the car was fixed and I went home, but promised to stay in touch, although I thought that might be the last I'd see of him.

He has since texted me and said that he and his mate want to spit-roast me this weekend.

I'm tempted because sex with my husband is awful. What should I do?

MD, Weymouth

Sam says...

YOU seem to have a high sex drive, so why not?

DO YOU HAVE A SEX PROBLEM?

T 'N' HORNY

BOUNCING Czech Roxanna loves a trip to the cinema – just for some red-hot sexy BACK ROW action!

The glamour girl said she enjoys a danger bonk and the thrill of being caught by one of the other cinema-goers.

And the stunna, who boasts 34EE curves, said she's not afraid to go all the way.

She said: "I love sex – I have always been right a nymphomaniac. There's no other way of putting it! "I get such a thrill getting up to naughty behaviour when I'm out in public.

"It makes things feel so much hotter than just

having it off back in the bedroom at home even though I like to push the boundaries with my fella there too.

"I once went to the pictures with a hot guy I was dating. We were sat on the back row, and there was no-one else on our row but people sat right in front of us watching the film.

"After fishing out his cock and letting him suck on my bare boobs I got on top and started riding him.

"I still have no idea what the film was about though – and I don't think the people in the row in front do either!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVD's at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

LEILANI DOWLING

STUDENT Gareth Cooke says that when it comes to boob size, more than a mouthful is a waste!

Gareth, 21, studies at the University of Liverpool and claims it's the little things in life that matter.

And that he's definitely talking about Bournemouth babe Leilani's perfect 34B pair.

He said: "Help me out here, guys. Can you print a pic of Leilani?"

"She's not in your paper that often anymore."

GEORGINA LAW

PLUMBER Kelvin Watson says his pipe stands to attention every time he claps eyes on busty blonde Georgina Law.

Kelvin, 37, from Harrogate, requested a snap of Georgina, from Huddersfield, with her perfectly rounded 36Cs on show.

He said: "Danni is every man's dream, surely! With those massive boobs and her gorgeous blue eyes, she's just perfect."

"Everytime I sneak a glimpse at the Sport and she's inside it, my cock springs to life - it's amazing the effect she has on the little fella!"

SARAH B

BUILDER Neil Sledding says his biggest crush is stunning cutie Sarah B.

Neil, 49, from Darlington, asked for a saucy snap of Sarah, from Brighton.

He said: "I'm a huge fan of the Sport and Sarah B in particular, I've got all the lads on site fancying her."

"She's got a perfect pair of pert 32Ds which she isn't shy about whipping out!"

SPORT STARTS HERE WITH RACING

Frodon march to King George

PAUL Nicholls is leaving the door open for Frodon to run in the Betfair Chase before the King George V Chase following his winning reappearance at Wincanton.

It was a vintage show in the Badger Beer from the popular 10-year-old, who jumped and galloped with zest in the hands of Bryony Frost and stayed on strongly under top weight to see off the in-form Lord Accord. Kempton's Christmas highlight, which Frodon won in 2020, is the obvious next step, but Nicholls has not ruled out a bid for Haydock's Betfair Chase on November 19 for which he is one of only six entries in a race the Ditchet handler has won six times.

"I didn't get chance to talk to Paul (Vogt, owner) about it on Saturday, but we said the King George would be his target," Nicholls told Betfair.

"I would just keep half an eye on the Betfair at Haydock in case it cuts up. There are only six entries and you've got to keep all your options open."

"I would say he had a pretty

By **MIKE FRANCIS**

tough race down at Wincanton and the King George would be the sensible thing, but I will keep an eye on the Betfair Chase because it's a race I like winning and it's a race I like to have a runner in, you never know."

Nicholls saddled a four-timer at Wincanton on Saturday and one who won in the same colours as Frodon was Knappers Hill, who followed up his successful return in Chepstow's Silver Trophy by bagging the Elite Hurdle.

That success puts him on the periphery of the Champion Hurdle picture, and he could put his Cheltenham Festival aspirations to the test with a run at Prestbury Park in the International Hurdle next month.

Nicholls said: "He's going up the ladder, he's got a long way to go to get there (to be a Champion Hurdle contender), but he takes each race step by step and next time we'll know where we stand with him."

"I've got three options. He's in the Fighting Fifth, there's the International at Cheltenham and the Christmas Hurdle at Kempton on Boxing

Day. I suspect he'll go for one of those and I'm favouring slightly the International at Cheltenham because it will give us a good indication if he acts on that track, and he likes good ground as well which it may well be there."

Meanwhile, Dashed Drasher could remain over hurdles if the Channele Pharma 1965 Chase at Ascot on November 19 comes too quickly following his winning reappearance at Aintree on Saturday.

Tough

Jeremy Scott's stable star took full advantage of the early exit of Brevin'upastorm to gamely see off Voix Du Reve over two and a half miles on Merseyside.

Ascot has been a happy hunting ground for Dashed Drasher throughout his career and a return to the Berkshire track in February for the Grade One Ascot Chase, which the nine-year-old won in 2021, remains his main aim.

"It was a good result and a bit unlike him to win first time out," said Scott. "It was helped by Brevin'upastorm departing but I thought he was very tough."

VIDEO REF JUST TWO WEEKS OLD IN SCOTLAND

It's a big step too VAR for mad Ange

CELTIC BOSS RECKONS TECH DELAY KILLS THE ENJOYMENT OF GOALS

NOT HAPPY: Postecoglou does not like the video ref

CELTIC manager Ange Postecoglou expressed major frustration with the implementation of VAR following a dramatic 4-2 win over Dundee United as he claimed technology was changing the game and disrupting entertainment.

United scored their first of two equalisers from a VAR-assisted penalty and the Australian was baffled over how long it took to look at other incidents including Sead Haksabanovic's second goal and Liel Abada's stoppage-time effort, which was checked for offside.

"I don't think people fell in love with football just to be sitting around waiting for someone in a building miles away to decide outcomes," Postecoglou said.

"They do not need to take that long. If they have seven camera angles it seems like they want to look at every one. I know it's early doors and it's a new toy that

By **JOHN ANTHONY**

everyone wants to use but you can't be disrupting games like this."

Steven Fletcher cancelled out Haksabanovic's early tap-in from the spot after Alexandro Bernabei was booked for handball, after referee David Dickinson reviewed footage of the United striker's header hitting him on the arm after he jumped for a header.

Faith

"It seems like any time the ball touches your hand in the box – apart from when you are playing Hearts away – it's a penalty," Postecoglou said.

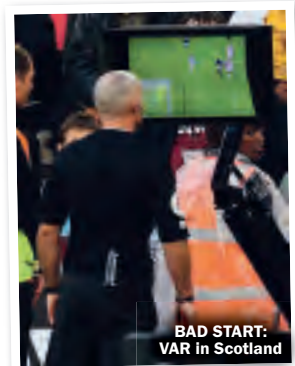

"So if that's the case, they could have seen that in the first screen that it hit Berna's arm. But why take so long?"

"His arm is in, I think, a natural position when you go up for a header. He is not even looking at it and it's a yellow card."

"It's the reason I took him off at half-time, I had no faith that I could keep him on because

anything could come across. This is not me having a rant about VAR. I have no issue with VAR, I just have an issue with how it's being used. It's changing our game. It's changing what we all knew to be the laws of the game.

"I was always pretty clear what a handball was, deliberate

BAD START: VAR in Scotland

handball. I played the game, you kind of know. But it seems that's not the way.

"That's the problem we have got now, we have let technology come into the game and rules that have been in place for over a century that we are all comfortable with are all of a sudden having to be looked at."

"I don't think that's what VAR was for. VAR, I thought, was there to pick up clear and obvious errors."

Scared

"Clear and obvious. Someone is having a shot from that distance and it hits his arm, how they can say that's clear and obvious? I don't get it."

"The problem with technology is they are going to have to change a lot of rules because they are re-refereeing the game, which is the one thing they said they wouldn't do. But they are, there's no doubt about it."

"And I feel for the officials because I have no doubt that they are scared to make decisions, they would much rather let it go

and see if VAR later picks something up."

"We scored the second goal and we were celebrating for two minutes and they are still checking when they are about to kick-off. What the hell were we waiting for? There was nothing there, I could see that in the first screen."

Postecoglou was also frustrated over video referee Nick Walsh's lengthy check for a possible red card against Craig Sibbald for a high boot when Dickinson had not even given a foul.

He added: "I'll cop teething problems but we have got to be learning along the way. I mean five minutes added on to the first half of a game of football. It is crazy."

"We can't take away from the fact that we have 60,000 people here. Of course they want to see us win but they are also coming to watch a spectacle."

"They are not coming to watch someone in a building miles away take two or three minutes to make a decision. I just don't think that's what it's for. Anyway, that's my rant."

CAN ARSENAL SEE OFF CITY?

ARSENAL beat Chelsea in another big London derby to once again move two points clear of Manchester City at the top of the Premier League table.

With over a third of the season gone and the break for the World Cup coming after the next round of fixtures, the Gunners have stayed the course until Christmas.

Here, *Midweek Sport* looks at how Arsenal have achieved their fine start and whether they can turn it into a sustained title tilt.

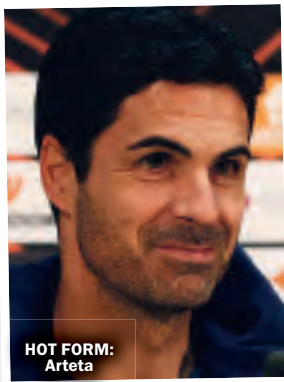

By PAUL THOMAS

ARSENAL HAVE NOT FINISHED IN THE TOP FOUR SINCE 2016, HOW ARE THEY FLYING SO HIGH?

Manager Mikel Arteta has often spoken about a "process" taking place at the Emirates Stadium, something that has been used as a stick to beat the Spaniard following successive eighth-placed finishes.

But last year there were signs of the green shoots of recovery as Arsenal were fifth, Arteta receiving praise for putting faith in the young talent at his disposal.

The likes of Bukayo Saka, Gabriel Martinelli and Martin Odegaard have all kicked on this season and with shrewd acquisitions such as Gabriel Jesus and Oleksandr Zinchenko in the summer, Arteta's process is beginning to truly develop.

HOT FORM:
Arteta

WHAT HAS CHANGED WITH THEIR PERFORMANCES?

Arteta praised the "maturity" of his side following the 1-0 victory at Stamford Bridge and this season Arsenal have definitely found a way to win even if things have not gone their way.

That was not always true in the past but now they can beat teams in different ways it gives them scope to collect plenty of points.

Great displays against Spurs, Liverpool, Bournemouth and Nottingham Forest have drawn the plaudits – but hard-fought victories over Leeds and Aston Villa and even a strong showing in their sole league defeat at Man United have shown this Arsenal side are built of sterner stuff.

SO WHAT COULD STOP THEM WINNING THE LEAGUE?

Theoretically, nothing. If Arteta can keep the majority of his squad injury-free then there is nothing to suggest, at this stage of the season, that Arsenal cannot last the pace.

But those young players do not have experience of battling for league titles, and going up against perennial winners in Manchester City would be a steep learning curve for this squad.

Goals could also prove a sticking point, Arsenal's leading scorers Jesus, Martinelli, Saka and Odegaard have 18 between them in the league so far this season – the same as Erling Haaland alone.

So it may not even be any Arsenal deficiencies that see them drop off, if indeed they do, but rather Pep Guardiola's superior squad depth and collective winning experience that could be their undoing.

OLEKS: WE'RE GUNNER DO IT

OLEKSANDR Zinchenko wants to "kill the stereotype" of Arsenal being a team that should only be competing for a place in the Premier League top four as their unlikely title challenge continues.

The Gunners were 1-0 winners at London rivals Chelsea on Sunday, a result which once again takes them above defending champions Manchester City and back to the Premier League summit.

Victory away at Wolves next Saturday will mean Arsenal go into the break for the World Cup top of the table as they continue to defy critics who suggested

By ANDY MILLOM

they would soon fall off the blistering pace they set at the start of the Premier League campaign.

It has been six years since Arsenal finished in the top four, something that manager Mikel Arteta would have been aiming to change when he drew up his targets for this season.

Instead, they are currently genuine title contenders and Zinchenko, who won the Premier League four times during his time at City before moving to the Emirates Stadium in the summer, believes that should be the standard for

a major team such as Arsenal.

"Honestly, I don't want to look so far because we have a lot of games ahead of us," Zinchenko, who returned from a calf injury at Stamford Bridge, replied when asked if Arsenal can compete all the way for the Premier League title this year.

"I can feel that this group of people, they are special. Starting from our staff and then all the people on our training ground, our fans, we believe in ourselves, every single game."

"I think I would say that I got used to hearing that Arsenal, it means straight away in your mind, 'top four,

top four'. I would say, I really want to kill and destroy this stereotype about us at Arsenal."

"We need to look further, and I think this team, this group of people, the fans, they deserve more than just that. That's what we need to do."

"We need hard work in this and let's see at the end of season."

"You ask me if we can challenge Man City and stuff?"

"Of course, they are an amazing team, but you never know what can happen in football. We need to go step by step with every single game."

Who'll turn Saints from sinners into winners?

SOUTHAMPTON are searching for a new manager after sacking Ralph Hasenhuttl on Monday.

Here are our five leading contenders for the job.

NATHAN JONES

Bookies' favourite Jones has impressed with Luton on a tight budget in the Championship, taking the Hatters to within two points of the play-offs with a game in hand.

The former Brighton full-back, who originally took over at Kenilworth Road in 2016 and had a brief spell at Stoke before returning, would probably jump at the chance of a crack at managing in the Premier League.

RAFAEL BENITEZ

The former Liverpool, Chelsea and Newcastle boss could find a route back into the English top flight after he was sacked following a disappointing spell at Everton in January.

Spaniard Benitez may find the prospect of managing a progressive club like Saints tempting and his CV will surely impress the St Mary's hierarchy.

SEAN DYCHE

After nine years of swimming against the tide at Burnley, Dyche has a proven record of keeping a club above water and seems ready to return to management having finally left Turf Moor in April.

The 51-year-old may not be the left-field choice Southampton have a habit of going for, but if they want a quick fix, he may be the perfect fit.

MARCELO GALLARDO

Widely considered River Plate's most successful coach in their history, Argentinian Gallardo is leaving the club in December when his contract expires after eight years in charge. The 46-year-old certainly fits the Saints mould but whether he fancies a relegation battle remains to be seen.

MAURICIO POCHETTINO

Talking of Argentinians, what about a return for former boss Pochettino? Available after leaving Paris St Germain in July, Saints could try to tempt the man who guided them to eighth in his first full season in charge back to St Mary's.

But the former Tottenham boss may have his sights set a little higher than his former team.

Wood backs Stokes to fire Three Lions past India in red-hot semi showdown

By GEOFF TRUEMAN

ENGLAND are still waiting to hit top gear at the T20 World Cup but head into Thursday's semi-final against India at Adelaide knowing Ben Stokes remains the "man to be counted on".

Stokes was averaging just 9.8 with a 100 strike-rate in his last six T20 innings before this weekend but England's 2019 50-over World Cup final hero delivered when they were teetering against Sri Lanka.

His unbeaten 42 off 36 balls was just what was needed to get England to victory by four wickets with two balls to spare at Sydney in a scrappy chase to pip Australia to second spot their Super 12s group.

The contribution was another example of Stokes keeping his composure, just as nerves looked to be setting into the England camp,

and fast bowler Mark Wood knows how redoubtable his Durham teammate is.

"He's a good man to have in a tough situation," Wood said. "I know people have questioned him but when you need him, he stands up. That's why you have him in the team."

"That's another moment in his career that when you look back you can say when the team needed him he was the man to be counted on."

"He didn't look phased or anything like that because he's been there and done it before. You think we're under pressure but he just takes it in his stride and knows exactly what he's trying to do."

"We know how good he is and that if we're in trouble, he's the man that never gives in, he never gives up and he always seems to come through when we need him most."

Stokes came out at first drop on

Saturday after Dawid Malan tweaked his left groin during Sri Lanka's innings, pulling up sharply after chasing down the ball, and he did not bat in England's reply.

England's physios are monitoring the injury over the next day or so before deciding on the next steps.

If Malan is forced to miss out against India, England's spare batter in their 15-strong squad is Phil Salt so he could be brought into the XI if they decide on a like-for-like replacement.

Expensive

"He's one of the only ones that faces the bowlers (in the nets)," Wood said. "Normally the batters like dog sticks but he takes on the bowlers and I think he's chomping at the bit."

"He's been ready for a while and he's got something about him."

Wood leaked 17 in his opening over against Sri Lanka but bowled

two of the last three at the end and only conceded another nine runs as he finished with three for 26.

He was also expensive in his opening six-ball bursts against New Zealand and Ireland but made telling interventions on both occasions and boasts nine wickets in four matches with an economy rate of 7.71.

But Wood, who has consistently hit the mid-90mph range throughout England's campaign, admitted he has been irritated by his sluggish starts of late.

"I've got to stop making a habit of that," he said. "It's getting annoying having to drag it back. I wish I didn't have to do that."

"I'm pleased I've shown some character and some pride in my performance to drag it back, but I'd like not to get in that position in the first place because at times I've taken wickets up front in the powerplay."

"But in the last couple I've gone

AT THE CRICKET WORLD CUP!

COOL HEAD:

for a few, so it's something I need to work on."

Used pitches, such as the ones that confronted England in their last couple of matches, have seen them struggle in the past, but Wood believes the side is capable of adapting to any situation.

"We've had to work hard with the ball and grind it out with the bat," he added. "That's not usually like us so it's great we can win in other ways."

Surged

Moeen Ali believes "the best is yet to come" from England at the T20 World Cup.

They are yet to put a complete performance together and there have been uncomfortable moments, particularly when batting, throughout their campaign.

But Moeen pointed out that past England sides have surged into the knockout rounds only to come

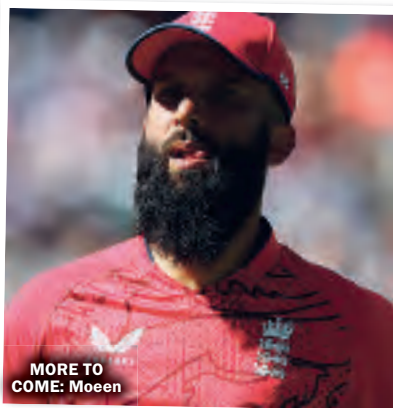

unstuck and feels a few nervy moments recently might benefit them at the critical junctures of this World Cup.

He said: "I don't think we've played that well in the whole tournament. But we got the job done. We wanted to get to the semis."

"In the past we've played well and got through. This time I don't think we've played well but we've got through and I feel the best is yet to come with this side, the best performance."

"I don't think we've really been near where we want to be, but now is a great opportunity to put that right and put in a team performance where we could be the best side in the tournament."

"You always talk about peaking at the right time and if you just about scrape through, it means you can get better. If we play our best cricket in the next two games we win the World Cup, I believe."

I'M TOO GOOD

Even Haaland can't believe how many goals he's scored for City

By JOHN ANTHONY

ERLING Haaland admits his sensational start at Manchester City has gone better than his wildest dreams.

The red-hot Norwegian struck yet again – this time a dramatic injury-time penalty winner – as the champions, with 10 men, snatched a hard-fought 2-1 victory over Fulham in the Premier League last time.

Haaland, who was back among the substitutes after a foot injury and a bout of illness, was summoned in the 64th minute as the hosts struggled to break down the battling Cottagers at the Etihad Stadium.

He responded in familiar style, netting what was a remarkable 23rd

RECORD: Suarez

goal in just 17 City appearances after Kevin De Bruyne was adjudged to have been fouled.

"Of course, I didn't expect it to be this good," said the 22-year-old.

"Without these good team-mates it would not have been possible. With them I expected to do certain things, but not this of course."

Haaland has been in amazing form – but his is not quite the best scoring start to a Premier League season.

That honour goes to Luis Suarez who notched an incredible 19 times for Liverpool in his first 12 games of the 2013-14 season. He was banned for six matches of the campaign but managed 31 goals in the league campaign.

Haaland is second in the list with Les Ferdinand third on 14 in 1995-96 and Robin Van Persie (2011) and Kevin Phillips (1999) next on 13.
